Sir,

In forwarding you an extract of the Chikmunglur Municipal Board meeting held on the 29th. October last, I have the honor to draw your attention to the Board's resolution to ÷ subject no. II, viz, the granting of the land lying between the jail and Barr lines for building sites". This I consider objectionable on the grounds that a Holageri has only very lately been removed from this space owing to the overcrowding of the neighbourhood and that, if buildings are again allowed to be erected there, the same state of affairs will continue. I would therefore beg to strongly recommend Government not to approve of this resolution passed by the Board. I may mention that there is ample space for house building on the ÷

Ltr 120-92
before the Municipal Board for discussion, the matter
of granting the land between the District Lock-up

present. Copy of the Board's resolution accompanies
this for reference.
